

Astute Financials.

Our mission is to offer clients the best combination of investment analysis with low investment cost and low risk requirement, efficient and secure back office fund administration and a broad array of services with high profit potential.

Our Advantage:

Safety of Funds: Clients funds are managed with the maximum care that we can afford. This we consider as one of our primary advantages because we solely understand what this means to our clients. Astute Financials is dedicated in making our clients comfortable with our services. Further more Astute financials is a financial advisory company owned and operated under the registered name of OOH RHII GLOBAL SERVICES LTD with Registration number **1323060** with CAC. OOH RHII GLOBAL SERVICES LTD is authorized under the companies and allied matters act 1990 to carry out commercial investment, Investment and consultancy services..

With selected crop of financial trading professionals with extensive experience in the financial market, we are totally dedicated to make your financial investment experience a worthy one.

Reliability: Our clients can be rest assured on the safety and dependability of our delivery system with our profit management scheme which is built and configured to ensure consistency in our delivery methods.

Low margin requirements: As noted briefly above Astute financials provides investment ideas and analytical insights in Foreign Exchange investments and binary options with a 90day return on investment of 10%.

Rapid and Fair payment Execution: Investment profit payments are confirmed with 24hr of the due date by our clients. Astute Financials has a Zero Slippage guarantee for all investment taking directly with us. Furthermore Astute financials pays directly into the investors account without delay on even extremely large transactions.

Product Offerings: Astute Financials offers a wide range of services regarding financial investments and advisory services which include: Portfolio management, comprehensive market analysis, Trading signals, financial investment seminars, Webinars, Pool Account Management and Mentorship programs.

Brokerage Company: Astute Financials works hand in hand with a fully regulated and reliable brokerage company. ACM Brokers is headquartered in Nigeria. ACM Brokers is the First Indigenous Online trading brokerage company in West Africa and we are glad to be part of this trail blazing brokerage company

ACM Brokers is a fully articulated NDD (Non-Dealing Desk) brokerage company with fast and reliable transaction

execution through STP (Straight through Processing) and ECN (Electronic Communication) methods. All clients' funds with Astute Financials are pooled together for full concentration and effective management in our Master Account with **ACM Brokers**.

Privacy Policy

Astute Financials, which would be otherwise referred to as "US" "WE" or "OUR" recognizes and respects the privacy expectations of our customers and is committed to safe guarding our customers' non-public personal information. We are providing this notice to you so that you will know what type(s) of information we collect about individuals, such as yourself, who apply for or obtain our products or services, how we handle and protect such information, and the circumstances in which that information will be disclosed to third parties who are not affiliated with us. The provisions of this notice apply to former customers as well as current customers.

We collect non-public personal information about you for business purposes in connection with our investment management operations. Such information is collected from the following sources: Subscription Documents, Account Opening Documents and Other Forms, which may include information such as your name, address, income information, net worth, investment experience, educational background and banking information; "Non-public personal information" is non-public information about you that we obtain in connection with providing you with a financial product or service for your personal, family, or Company purposes.

INFORMATION DISCLOSURE TO THIRD PARTIES

We do not disclose any non-public personal information about you to non-affiliated third parties, except to service providers and as otherwise permitted by law. We do not sell any personal information about you to any third party.

In the normal course of business, all of the non-public personal information we collect about you, as described above, may be shared with other persons who provide services in connection with your account (including brokers, administrators, custodians, accountants or attorneys, as well as any other service providers for your account).

We may also disclose personal information with non-affiliated entities and regulatory authorities as permitted by applicable law. For example, we may disclose such information to cooperate with regulatory authorities and law enforcement agencies and as necessary to protect our rights and property.

PROTECTING CONFIDENTIALITY AND SECURITY

We maintain physical, electronic, and procedural safeguards to protect the non-public personal information we have about you. We treat this information in a confidential manner. We restrict access to non-public information about you to employees who have an appropriate reason to access it, such as to administer your account or offer our products and services. We educate our employees on the importance of protecting the privacy and security of confidential personal information. In addition, we require third parties with whom we share information to:

Maintain policies and procedures designed to assure only appropriate access to, and use of information about, our customers; and Maintain physical, electronic and procedural safeguards that comply with federal standards to guard non-public information of our customers.

For more information about our privacy policy and how much we protect your information, kindly visit our website.

Investment Terms.

- Clients can invest in our pool account management service with a minimum of =N=500,000 only.
- A client has the right to determine if he/she would like to continue with our service after 180 days which includes 2 remittances each with 90 days investment period.
- Upon the decision by the client to terminate he/her investment with us a 30 working day notification period would be required after which clients initial investment funds would be fully remitted into his/her account.
- The minimum duration for any investment is 90days, with 10% ROI (Return on investment).including withholding tax. In the case that client would like to terminate our investment agreement without the completion of the stipulated time, total profit forfeiture would be enforced while client would be paid back his/her full initial investment amount.
- Astute Financials investment forms does not serve as a collateral which could be used in the servicing of loans, credit enhancements or a surety of any kind in anyway, as it is strictly the sole property of Astute Financials, made in good faith and as a receipt for your investment with us.
- Astute Financials does not accept any responsibility for loss, spoilage or mishandling of clients investment receipt as NO alternative receipt will be issued and if failed to be produced when called for may lead to forfeiture of Investment capital. Torn, Stained or wrinkled investment receipt would not be accepted or recognised as this may lead to forfeiture of Investment.
- Astute Financials reserves the right to terminate any of her clients investment account with us upon suspicion of fraud, misbehaviour or any other negligence whatsoever that may arise on the part of our clients
- Client's interest payments would be paid only to the registered account number only. Changes in the account number or bank name should be reported at least 15 days ahead of payment date so as to allow for verification and replacement.
- Astute Financials do not deal with third party account system that is we do not accept the situation whereby the investment name is different from the account name for payment of investment returns.
- In the event of Loss, a fact that though we greatly guide against but which cannot be totally overlooked, Astute financials takes up the responsibility of paying back up to 75% of the invested amount by the client at her own stipulated time.
- Any alteration to any of the data provided in this documents renders it totally invalid
- Astute Financials reserves the right to change/update these terms anytime and as she deems fit.
